

COMMUNIQUÉ

PROMOTION!!

Hi everyone!

Your team at Qualicode is happy to announce the launch of a new module: “Q contingency key”. This new product has been developed to help you cope with power outage and such. Read on!

“Q contingency key” Module Launch

Are you ready for a disaster? Can you resume your operations when power or network goes out? Don't lose time! Qualicode now offers the new “Q contingency key” which shall shield you from hazards. You will have all the necessary reports on hand to go on with your operations until the situation gets back to normal. Please find more details on Qualicode's Web Site [Q contingency key](http://www.qualicode.com/q-releve.asp) page: <http://www.qualicode.com/q-releve.asp>

Promotion !

Also, have a chance to get a Kingston secured and water-proof USB Flash Drive free! A value of \$79.

To highlight the launch of the “Q contingency key” module, Qualicode is giving away a Kingston Secured Flash Drive to the first 5 customers who ordered through Qualicode's Web Site. Take up that promotion... order the module on internet at <http://www.qualicode.com/q-releve.asp#Prom>

Always at your service, for your efficiency!
Qualicode Team
